

# How To Make A Winter Seal

You'll need:

- Fondant (black & white)
- Scissors
- Food pen (black)
- Tape measure
- Brush and water

Model so the tail-end is flat and the head-end is oblong.

Cut the flat end with scissors to make the tail and toes.

Make face. Roll and flatten 2 balls to make the hands and attach with a little water.

Create fur texture with the scissors.
